We lost a bunch to the flu, weather, family emergencies and a bowling tournament but we still had a great turnout. CJO didn't have any drop outs and that helped them Win most of the team events

Derek Ballangee may well have shot the highest compound score in the history of the tournament. The Girls Cadet scores of 563 and 562 are well among the best ever. ALL THREE CADET GIRLS MEDALISTS are first year Cadets. Courtney Stauffer of CJO started shooting at Christmas this year and won the Junior Girls Compound. Emma Vicars, a NASP shooter, put a sight on her bow for the first time two weeks ago and won a medal . CA'S Moira Seger set a new Cub BB record, the former holder, Charlotte Adams (current USAA cub and Cadet NR holder) set the Cadet record. This was CJO Archer Ian Coombe's 11th and last Ohio JOAD indoor as he ages out next year. In this tournament, he won the recurve events 10 years in a row, a bowman compound title, three additional medals as a junior and was on 9 recurve club championship teams and three Compound club championship teams, and 14 additional winning teams (boys compound, boys recurve, mixed recurve) . Due to the expansion of the JOAD age limits from 18 to 20 in 2009, Ian became the most decorated archer in the history of the Ohio JOAD Indoor Tournament.

Thanks to all those who came-especially from afar due to the nasty conditions last night and this morning
