Thanks to our many helpers and volunteers including Judges Jennifer Laux and Lauren Harting, our medical officers, RNs Jennifer Proctor and Debbie Conradi, our announcer and field manager, Archery Hall of Fame Member- Darrell Pace, transport crew Jason Pfister, Toby Salyers and Rich Gillette and our score card and check in team, Gina Garrity, Karen Gillette, Eric and Heather Matheny

The Cadet compound girls field was the strongest in history of the Ohio Target championships with US #1 Makenna Proctor narrowly winning over S3DA National 3D Champion Baylee Deer, and Kentucky's #1 lady, Paige Robbins. Fourth Place was 2019 JOAD National outdoor 4th place finisher and Indiana's top compound lady, Summer Cheesman.

Finally-once again, archers should check their math-several cards had many errors, and in one case, cost an archer second place.
